What is A-Z Original SLAM

A-Z introduces clear, easy to learn, themed sequences from A - Z, so 26 routines to enhance your personal knowledge on style, technique, Middle Eastern rhythms, culture and language. Workshops in A-Z are run throughout the world. Students of A-Z enjoy the structure and development A-Z brings to them and teachers love it for the same reasons! Once learnt, the sequences can be the foundation and inspiration for exquisite, creative belly dance, you will have extra material, confidence and technique to share in performance, classes or your own practice for enjoyment. A-Z aims to give you flow, improve your postural awareness and help you to dance safely.

The cost of the Certification course is £250 and includes the A-Z Original Personal Techniques (OPT) Course Pack which comprises the course manual, DVD and music CD.
